

Adult Parent Loss Zoom Support Group

Participation in a support group is one of the best ways to help those grieving a significant loss. People who have experienced similar losses are brought together in an environment of safety to share their experiences and offer support to each other. During the pandemic, many of the rituals of loss and usual supports during grief were unavailable. These circumstances can make losing a beloved parent even more challenging.

- [This group is currently forming and will meet for 8 sessions starting Fall 2021. Please call to get on the waiting list as this group has limited space.](#)
- Pre-registration and an intake interview are prerequisites to attend the group.
- Funding for our bereavement program entirely by donations. A \$10 donation per session recommended. No participant will be refused due to an inability to pay.
