Caregiver and Complementary Care Programs

Hospice of Westchester (HOW) is a respected and vital member of the healthcare community, providing exceptional and compassionate end-of-life care to Westchester County residents. We take great pride in our staff and volunteers for their unwavering dedication to our patients and their families, without skipping a beat throughout the Covid-19 pandemic. We are truly thankful for your generous support in navigating these challenges.

Our annual In Celebration Gala Reception is the highlight of the year and allows us to recognize our deserving honorees. While we are eager to come together, your safety is of the utmost importance. For this reason, our Gala committee has made the prudent decision to *cancel* the event. We are extremely grateful to our Sponsors for their support of "In Celebration – At Home" and hope you will consider making a donation to HOW from the safety of your home.

We look forward to celebrating our 30th Anniversary together, in person, in 2022! Thank you for the essential role you play in our continued success.
