HONORING

The Hildegarde D. Becher Foundation, Inc.

We invite you to join us as we honor The Hildegarde D. Becher Foundation for its 28 years of philanthropic support of Hospice of Westchester. The organization was established in 1994 through the generosity and vision of Hildegarde D. Becher to support various hospitals, universities, and philanthropic organizations.

The Foundation is administered by a Board of Directors, and through their careful planning and professional expertise, they have contributed 6 million dollars locally and nationally. Its donations and ongoing sponsorship of our Annual Golf Invitational, In Celebration Gala Cocktail Reception, and Tree of Life have added to the overall success of these events as well as the organization as a whole. We are fortunate to have The Hildegarde D. Becher Foundation as part of the Hospice family.
